CE UNDERGRADUATES

CONCENTRATING IN

STRUCTURAL ENGINEERING

The Structural Committee of the ASCE Minnesota Section sponsors a special scholarship for undergraduate CE students concentrating in Structural Engineering. The value of the scholarship is $2000. In order to be eligible for this scholarship, you must have evidence of your interest and aptitude in structural engineering. Evidence may include coursework (i.e. CE 3401 and higher), structural work/internship experience, or anything else that shows interest/aptitude in structural engineering. If you are interested in applying for this scholarship, please fill out the attached form, entitled “Supplemental Information: ASCE Structural Committee Scholarship.” This form will be used in conjunction with the Department of Civil Engineering scholarship application for the 2016-17 school year that you have already submitted.

Return the supplemental Information for to Professor Le by March 21.

Preference will be given to members of ASCE. You may join the student section of ASCE by going by the ASCE student office, filing out and returning the ASCE Student Membership Form and paying the nominal membership fee.

If you have questions about the ASCE Structural Committee Scholarship, please e-mail Prof. Le (jle@umn.edu).
